OVERZICHT

KLANTENRECENSIES (15)

SPECIFICATIES

Rapporteer item

PLC protection board, protect PLC internal relay.
Input voltage: DC12-36v active low
Output voltage: DC12-36V output high potential
Output current: less than 5A (long time) transient current 50A
Switching frequency: 1000HZ
Installation: punch, PCB module frame
Size: 87mm 136mm

Informatie over bijkomende kosten

For items delivered from outside the European Union, you may be subject to additional charges for VAT and, when applicable, customs duties in your country. If AliExpress is obliged by law to collect VAT, you will see the VAT inclusive price at checkout. For more information about these costs, please contact the tax and customs authorities in your country.
